CORAM: SWATANTER KUMAR C.J.
& S.C.DHARMADHIKARI J.
23rd April, 2007

P.C.

1. None present on behalf of the petitioner.

2. In the present writ petition the petitioner questions the correctness and legality of the order passed by Central Administrative Tribunal dated 18th February, 2000 by which the Tribunal observed that keeping in view the facts and circumstances of the case even if the petitioner has a grievance the implementation would not justify initiation of the contempt proceedings and granted liberty to the petitioner to file original application inaccordance with law. This order was questioned by the petitioner after the lapse of 3 years. Besides that the petition has no merit. It also suffers from the defect of delay and latches. The petition is dismissed. No order as to costs.
